Designed by teachers for teachers.

SPARK 1.0

SPARK U is 5 days of rigorous professional development that moves well beyond “theory” to introduce a foundational roadmap of actionable tools and techniques for successful classroom management, improved lesson planning, and effective classroom instruction. Every module of the SPARK U curriculum is developed from proven best practices based on real-world teaching principles.

**July 15 – 19 at Grand Canyon University
July 8-12- Via Zoom**

SPARK U for Instructional Leaders

Designed exclusively for administrators and instructional leaders. This intensive course builds on the proven foundational principles of SPARK U 1.0, with an emphasis on effective supervision, conferencing and evaluation.

**September 19-20 & September 26-27
Via Zoom**
