

# COMPLIMENTARY PROFESSIONAL DEVELOPMENT: MONTHLY SESSION

Build your educators' skills and invest in your organization at no cost to you by taking advantage of limited-release monthly sessions provided by GCU's Canyon Professional Development.

## OCTOBER SESSION

### Formative Assessment: From Doing to Learning - Learning Intentions (SS-02)

During this session, participants will have the opportunity to reflect on how their classroom activities are linked to their learning intentions and, ultimately, to their standards. Research shows that clear communication of learning intentions (targets) is related to student outcomes. By using concise language to describe the learning activity and intention, you can help your students better understand what is expected of them.
